National Honor Society

Membership in the Redfield Proctor Chapter of the National Honor Society is the highest honor the faculty can bestow upon students in grades 11-12. The requirements for consideration for acceptance are scholarship, leadership, service and character. The group completes a community as well as an individual service project. The students participated in the Dr. Seuss' Read Across America Day and travelled to the Proctor and Rutland Town Elementary schools to read stories and play games. The new inductees were Jen Dobart, Anthony Blair, Kevin Brough, Brendan Hurlbut, Kristen McCullough, Luke Wheeler, Kevin Brough, Tess Grossi, Melanie Campo and Sarah Voigt.

Angela DeBlasio

In June, Angela DeBlasio attended Girls' State which is sponsored by the American Legion. This week long program was held at Johnson State College and was attended by nearly 100 young women. The delegates were selected based upon scholarship, leadership, character, service and a passion for government. Each representative participates in a mock town and some run for elected offices. Positions such as Attorney General, Senators and Governor were voted on and filled. The women participated in other activities such as the newspaper and athletics. Girls' State was a fascinating experience and way to learn about our government and meet friends across the state.

The 2001 *Proctorian* staff began with much enthusiasm, but as the year progressed participation dwindled. Even so, we were able to assemble this book of classes, sports, faculty and activities for you to remember. Being part of the *Proctorian* means spending much of your free time working on the page layouts and checking ad copy as well as other chores- no easy task. We wish to thank the continued support of the Proctor and Rutland communities as well as our awesome advisor, Mrs. Sherman.

The State Championship was held in Montpelier. Overall, Seth and Ray had a terrific year, winning many tournaments and speaker trophies. Tyler, our Varsity debater, placed second in the state.

Angela, Lynne, Kristen, Jen and Kyle in front of the Eiffel Tower!

The Eiffel Tower in 2000 stands behind France's flag.

Last year, the French club traveled to England and France for eleven days. While in England they saw the Tower of London and went to the theatre to see *The Phantom of the Opera*. They boarded a HoverCraft, which brought them across the English Channel to France. The students saw the beaches of Normandy and toured the Loire Valley. While in Paris they visited the Louvre and climbed the Eiffel Tower at midnight. The French club had a wonderful time experiencing the French culture with their chaperones Mr. and Mrs. Sherman. It was an experience that they will never forget. Du poulet?

The 2000 GAPP exchange was a great success. Eleven students and two chaperones departed for Germany. They stayed with hosts family in Weimar for two and a half weeks. While there, they spent mornings at the Friedrich Schiller Gymnasium and in the afternoons they saw many sites. The German students came to Proctor in September after two days in NYC. While in Vermont they had an opportunity to see the fall foliage. They participated in many activities including visiting Montpelier, the Ben and Jerry's factory, Hildene and they went apple picking.

Winter Carnival Week

This year's Winter Carnival was a great success. Students displayed their school spirit on Maroon and White Day, Clash Day, Hat Day and PJ Day. The week also included spirit games against West Rutland in which our teams displayed great enthusiasm and sportsmanship. The community variety show, organized by Ellen Sutherland, was sponsored by the Academic Boosters who held a wonderful pot luck dinner before the show. The show included such talent as singing, dancing, and acting, ranging from elementary and high school students to parent and faculty members.

Outdoor activities included snow football and soccer, tug of war and a road race. At the ice games, students demonstrated their speed in an obstacle course and their skills at hockey. Indoor games ranged from the M&M dunk, soccer and hockey as well as Scattergories and Trivial Pursuit. New games introduced to us by Mr. Clerihew, Furniture War and the Two Man Saw, were also a great success.

Varsity Girls' Soccer

The 2000 team had a successful year. With an overall record of 9-6-2, they won the Black River Invitational tournament for the third straight year after blanking the host team 5-0 in the final game. With the help of Coach Bjarne Skjetne, the team made it to the semifinals where they lost to Wilmington. Both Rebecca Jenne and Jennifer Dobart were All-MVL and All-State selections. Losing only one senior, Brielle Anderson, the team looks forward to next year. The co-winner of the Buzzell-Gallus Award was Brielle Anderson.

The Phantoms won their playdown game against Richford and then lost to Twinfield in the quarterfinals in sudden death overtime. The team was very young with ten freshmen on the squad and is looking forward to success in the future. Co-captains Justin Jenne and Scott Allenby were All-MVL and All-State selections. Our youngest lady soccer players completed a full schedule of 12 games under new head coach Mike Pratt. This was his first year coaching in any capacity and he started working with the girls after they had played their first game. It was a rough year in terms of wins and losses, but as a team, they came together well and played their best soccer just as the season closed.

At first, it didn't look as though there would be a boy's team. But just as the season was about to open, several late arrivals made it possible for the middle school to field separate girls' and boys' soccer teams. This year, again, Chris Chapin, guided the team. And although the boys won fewer than they lost, it was not for lack of drive or effort. They did all that was asked of them and more.

Junior High Girls Basketball

Our middle school girls basketball team, under the watchful eyes of Miss Kara Wein and Mr. Victor Echandy, played the greatest number of games of any middle school girls' team in recent memory. These young ladies worked hard in practice and even harder in games as, on more than a few occasions, some had to play parts of both seventh and eighth grade contests in a single afternoon! We look forward to see them playing in the years to come.

Back Row: Stacey McCullough, Michelle Haley, Kim Jones, Nicole Cavacas, Jenna Coughenour, Jill Corbo and Lana Messer. Front Row: Amanda Sadowski, Stephanie Chehy, Megan Muir, Becky Beyette, Olivia Kish, Kayla Toher and Jennifer Longley.

Junior High Boys Basketball

Our middle school boys basketball team played a full schedule this season. Under first-year coach Rick Drake, they compiled a record skewed strongly toward the "win" side of the column. More importantly, they received important fundamental instruction and application of that instruction against other area schools. As a unit, this group matured noticeably over the four months they worked together and more than suggest that the future of Phantom basketball looks bright indeed.

The Lady Phantoms are a young team comprised of many freshmen. Yet, in each practice and game, even when there was no one on the bench to provide relief, they gave 110%! It was their collective attitude and tenacity which carried them throughout the season. We look forward to seeing them next season!!

More than half of this season's JV squad moved up from the middle school ranks in between seasons. They followed Coach Steve Allenby who, after several years coaching middle school hoop, took the responsibility for the JVs. Brash, full of energy, and harboring no respect whatsoever for how good any other team was supposed to be, our journeymen Phantoms gave a great account of themselves this season and provided some of the most enjoyable moments of 2000-2001 campaign.

Varsity Girls Basketball

The Lady Phantoms, under the direction of Mr. Randy Ouelette, struggled again this year with numbers. Overcoming the fact that they were young, with Kayla Gildersleeve as the only senior member and three regular freshmen, this year's team played a good hard season giving an excellent account of their efforts throughout the season. The team finished the season with 6 wins and fourteen loses. Coach Ouelette is proud of his young players and hopes they come back next year for an even stronger season.

The team returned to the court this year as a contender for the crown again. Though lacking the experience of last year, the younger Phantoms possessed the skill and vigor to dominate the MVL in Division IV. Justin and Scott reprised their roles as team leaders, the spark plugs that detonated the Phantom offense and shut down the opposition on defense. Kyle returned to the court this season as the tireless dynamo at both ends of the court. The 12-10 Phantoms went to the quarterfinals where they lost by one point.

Track

Kaci Stanely and Erin Gray

The two members of the Proctor Track Team practiced every day after school at Rutland High. Erin and Kaci competed at Dartmouth, Williams and Norwich. Although the team did not win any meets, they were very competitive in individual events. At the State Championship, the team earned 27 points. All in all, it was a fun and successful season. Kaci and Erin look forward to next year and hope that others will become involved in Track.

Wrestling

Andrew Thibault

Andrew represented Proctor in six tournaments and a number of dual meets and also attended the J.V. and Varsity States. Andrew Thibault trained under Coach Dick Blair and Pete Bearor and wrestled at the 189 lb weight class. He achieved 1st Place at the Otter Valley Junior Varsity Tournament, 1st Place at the Middlebury Junior Varsity Tournament as well as 4th Place at the Varsity Tournament, the Falcon Invitational at North Country High School.
